

ESTHETICS (CERTIFICATE - 600 CLOCK HOURS)

Objective: The study of esthetics encompasses skin care, skin types, and makeup application. Students will receive sufficient and current information and training in the below areas that will enable him/her to professionally perform the required skills of the Arts and Science of Esthetics. All programs are taught in English. Textbooks and program material are only offered in the English language. Successful completion of the 600-clock hour Esthetics Program prepares the graduate for an entry-level position as an Esthetician, or Makeup Artist (MUA). *Criminal convictions may affect a student's ability to be licensed, certified, or registered.*

Daytime Full-Time Schedule Monday-Thursday 9:00 am to 5:30 pm

32 hours per week (19 weeks)

Full-time students have one 30-minute break.
